

## The Greatest Play

As Told To  
Hugh S. Fullerton

By "WILD BILL" DONOVAN.

## That I Ever Saw

For Years Premier Pitcher of the Detroit Champions, and Still One of the Greatest Pitchers in the Game.

There isn't a doubt in my mind which was the greatest play I ever saw. It was the one that Herman Schaefer made in the first game of the first world's series between the Chicago Cubs and the Tigers. I live to be a couple of million years old I'll never forget the thrill that Schaefer's catch gave me.

wasn't a doubt in my mind which was the greatest play I ever saw. It was the one that Herman Schaefer made in the first game of the first world's series between the Chicago Cubs and the Tigers. I live to be a couple of million years old I'll never forget the thrill that Schaefer's catch gave me.

The game was one of the most sensational I ever saw in my life. There was a lot of fine baseball, but before the finish I think both teams were laboring under too great a strain. It was the first time I ever saw a crowd cheer itself out and get quiet from nervous exhaustion, but that is what it did.

We seemed to have the game won until a ball got to the stands, and the Cubs pushed us out and tied it up. Then they seemed to have it won, until they lost the run that would have won for them by interference at the plate after Slagle was across the rubber.

It seemed to me that every play from the eighth inning on was a wonderful one. The fellows were fighting with every nerve keyed to the breaking point. Did you ever hear men stand and swear to themselves and coach themselves? Well, that is what we all were doing, and when it came to the eleventh and we failed to count, the Cubs came back hard, trying to win out. They had a man on first and Chance was hitting. We knew that it was so dark another inning would be impossible, and with two out and Chance up we braced to stop any score and save ourselves from a beating even though we couldn't win.

Chance swung at the second ball pitched, a fast curve that broke on the outer corner of the plate. I don't think I ever saw a ball hit any harder than that one was hit. It went high on the line between first and second, right down the groove, and if it got past Schaefer it was certain to go between the outfielders and sent home the run that would beat us.

Schaefer had been playing down fairly close to second base. He saw the game going over his head and took a quick running leap into the air. The ball seemed to catch it I never can guess. His back was to the plate and he was twisting his body around when he threw up his right hand, grabbed at the ball and picked it out of the air. He came down kicking like a cat trying to light on its feet, and clung to the ball. For a moment the crowd was as still as if it had been paralyzed. Then it realized that Schaefer had caught the ball, and in spite of the disappointment the crowd went wild and cheered for five minutes while all the fellows beat Schaefer on the back and Chance raved.

The catch saved the game for us and a bunch of money, as we divided the receipts of that game as well as of the next four.

## Texas League Notes and Gossip

San Antonio, Tex., June 12.—Dallas has added two new players to the team in addition to Jean Dale. They are Scott and Newton, both of whom are pitchers. Scott, a big right-handed youngster, comes from Sapulpa, Okla. Reed and Myer, recently secured from that team, have been returned in trade for Scott. Newton has been coach of Poudre Institute, Hight Sound, N. J. Maag and Thebo, of the Dallas team, have been put back in the game after a suspension of a few days. It is understood they were told by manager MacInnes that it was their last chance, and that unless they delivered the goods done up in neat tied packages they would be looking for new jobs and that very promptly.

Efforts are being made to get Big Ben Shelton to come to Galveston and ginger up that team. Jiggs Demahue having failed to do any better than his predecessor, Shelton is at Temple doing a big cotton brokerage business. It is doubtful if he will return to the game as his business is such that he cannot afford to neglect it to play ball.

Fort Worth is on the downward path just now, although the team is putting up a pretty fair exhibition of ball. The team is only being beaten by a narrow score and while now in the second division cannot be said to be

by any means out of one running. Morris seems to have together a very fair aggregation who may give a very good account of themselves as the hot weather comes on.

Manager Ledy of the Bronchos announces he has signed a new pitcher, a southpaw, in the person of Gilbert of the Peoria team of the Three-I league. The new man comes recommended very highly.

"Dutch" Browning, the wonderful midget graduated from Waco to the Pacific Coast league and then to the American league, has given down under the terrific strain of the big leagues. Frisco announces he will be traded at once. "Dutch" is one of the smallest men in organized baseball.

The dispute between San Antonio and the Southwest Texas league over pitcher Toner has been settled. The youngster will stay with San Antonio. He is doing good work for the team.

Robert Gilks, former manager of the Galveston team, but now scout for the Cleveland Naps, is in Texas looking over the likely players. This is his second season as scout for Cleveland. He picked Adams and Knapf last year. Adams made good. Knapf is with New Orleans, but the big league team has a string attached to him. Gilks expects to pick up two or three players for a try out with his team next year.

**PAPKE PICKED TO WHIP SULLIVAN**

London, England, June 13.—Billy Papke, the "Illinois Thunderbolt,"

whipped Jim Sullivan, the English middleweight star, June 3. Papke was picked to win by the "inside" coterie of fighting enthusiasts and made good.

**FOUR FAVORITES WIN.**  
Salt Lake City, Utah, June 13.—Well balanced fields featured the racing at the Lagoon track. The Lodi handicap, at six furlongs, was won by Madman, free a good crowd of spectators. The Bedwell horse made the fastest time of the meeting, stepping the distance in 1:11 3/5. Four favorites won.

**COLEMAN GETS DECISION.**  
Memphis, Tenn., June 14.—Tommy Coleman, of Philadelphia, had the better of young Jack Johnson, of Boston, at every stage of their eight-round battle here, and was awarded the decision.

## JOHN DILLON WILL RECOVER FROM HURT

Dublin, Ireland, June 13.—John Dillon, the Irish leader and Nationalist member of parliament for East Mayo, was dangerously injured about the

head and back in an automobile accident near Dundalk, 45 miles northwest of Dublin.

It was at first thought that Mr. Dillon was dying and a priest, who was hastily summoned, administered the last sacrament. The injured man rallied, however, and was removed to Dundalk, where he now lies in a hospital in a serious condition. He will recover, the physicians say.

**Postal Banks in Southwest.**  
It is the announced intention of the postoffice department to have 1000 postal banks in operation by July 1, so that the fiscal year will open with that number doing business. Already over 500 have been announced and the complete list in the southwest to date comprises banks at the following places:

Arizona—Bisbee, Clifton, Douglas, Globe, Prescott and Yuma.  
New Mexico—Carlsbad, Clovis, East Las Vegas, Raton, Roswell, Santa Fe, Silver City and Tucuman.

Texas—San Angelo, Del Rio, Brownham, Victoria, Georgetown, Port Arthur and Temple.

A list of 150 banks was designated as depositories of the postal savings funds, and so many banks are being established that an additional list of depositories has been named, bringing the total number up to 362. Additional banks in the southwest which have qualified to receive the postal savings funds include the following:

Bank of Douglas, Douglas, Ariz.; Citizens' National bank, Roswell, N. M.; First National bank, Douglas, Ariz.; Prescott National bank, Prescott, Ariz.; San Miguel National bank, East Las Vegas, N. M.; First National bank, Clifton, Ariz.; First National bank, Del Rio, Tex.; First National bank, Carlsbad, N. M.; Clovis National bank, Clovis, N. M.; and First National bank, Yuma, Ariz.

Mayor Charles Brewington of Stamford, Tex., is in the city and with congressman W. R. Smith called on the secretary of the treasury relative to

changing the site of the proposed federal building at Stamford.

**I. & G. N. Request Granted.**  
The Interstate commerce commission has granted the International & Great Northern permission to make through passenger rates greater than the sum of the local fares. This was done because the I. & G. N. made representations that between Tyler and Jacksonville, Tex., it had to reduce its passenger fare considerably below what it might legally charge to meet the rate fixed by the St. Louis & Southwestern which has a shorter haul by several miles between the two points.

So in figuring the through rate from points north of Tyler to points south of Jacksonville, the rate between Tyler and Jacksonville is figured at the legal rate instead of the lower rate which the road has put in to attract its share of the business.

A pension of \$12 a month has been granted to Mrs. Augustina Rosecrans of Silver City, N. M., dating from Dec. 31, 1910.

**New Postmasters.**  
Postmasters have been appointed in New Mexico as follows:

Albino H. Zalles, Los Alamos, N. M.; San Miguel county, vice W. Frank. Florence I. Johnson, Ruidoso, Lincoln county, vice A. B. Miller. John C. West, San Patricio, Lincoln county, vice L. Lucero.
